## **VTM GARDEN OF REMEMBRANCE EXPANDS**

**Pretoria, 21 May 2012.** Sales of niches in phase 3 of the Garden of Remembrance at the Voortrekker Monument will start on 25 May when this part of the garden will be in use officially.

Niches in phase 2 of the VTM Garden of Remembrance have sold out so quickly, that phase 3 had to be built sooner than planned. The new section of phase 3 will be completed by the end of May. The niches at the VTM are suitable for the remains of two people. The garden is quiet, situated in beautiful surroundings and safe. The storage period of remains in the niches is unlimited, in other words the remains are not disposed of after thirty years.

The new niches in phase 3 of the Voortrekker Monument Garden of Remembrance will be sold at the adapted price of R4 600 each (VAT included), and there are 1,086 niches available. An additional amount of R150 is paid for engraving on the marble niche covers. The VTM Garden of Remembrance now has 2 897 niches.

Please phone Mrs Lidia Hendriks (082 564 4840) regarding enquiries. The price of niches in phase 1 and 2 will not be raised and they will still be available at R4 000 per niche (VAT included).
