NEW STALLS AT POPULAR MARKET

Pretoria, 4 June 2014. The popular antique and collectors' fair at the Voortrekker Monument will take place on Monday, 17 June from 09:00 until 15:00 on the roof of the large amphitheatre on site.

Many experts consider the market to be the best in the country and it is one of few in Gauteng that still enjoys strong support. The fair has a wide variety of collectors' and antique items for sale; literally from old buckets to Barbie dolls and wonderful art deco pieces. Three new exhibitors will be bringing their wares to the June market. One of them is all the way from George in the Cape Province and he has beautiful old cutlery. Stalls at the market are not easily come by and the organisers have a long waiting list for people wanting to sell their wares.

There are food stalls and a restaurant and also some great deli foods. Safe parking is available at only R20 per vehicle. The site is safe for children and also accessible for wheelchairs

Enquiries concerning the antique market may be directed to Geraldine at 012 326 6770 or at marketing@vtm.org.za.
