## **ANTIQUA MARKET ON YOUTH DAY CHOCK-FULL**

**Pretoria, 5 June 2017.** The antique and collectables market on Youth Day at the Voortrekker Monument is chock-full of stalls with merchandise for any collector. It takes place on Friday, 16 June from 09:00 to 15:00 on the roof of the large amphitheatre at the Voortrekker Monument. The entrance fee is R30 per car. Please note that visitors to the market will not be allowed access to the site before 07:00.

The market, which is now in its eleventh year, is thought to be the best of its kind in the country and applications for stalls are high. Unfortunately stalls are not easy to acquire as exhibitors do not relinquish their stalls easily. This problem has now forced organizers to implement a pre-selection phase before new vendors are allocated a stall. There are 171 stalls at the market selling a huge variety of goods such as old enamelware, coins, beautiful porcelain, Dinky Toys, dining services, knives, jewellery, glassware and a whole lot more. The services of a mobile ATM from FNB which was acquired at the beginning of the year is extremely convenient and helps to prevent people from leaving the market without acquiring that must have item. Vendors are extremely happy with this addition to the market.

There is a restaurant and several food stalls at the market, as well as parking for people with wheelchairs. Visitors should please leave their dogs at home as the Monument is situated in a nature reserve and dogs are not allowed on site.
